### FOREIGN NEWS.

Rome, May 15.—The Pope in his circular to the Irish Bishops, says that whatever Parnell's object may be, his followers have often adopted a course openly against the rules laid down in the Pope's letter to Cardinal McCabe, in which instructions were sent to the Bishops, which were accepted at their meeting in Dublin. While it is lawful for the Irish to seek redress for their grievances and to strive for their rights, they should, at the same time, seek God's justice, and remember the wickedness of illegal means in furthering even a just cause. It is the duty of the clergy to curb the excited feelings of the people and urge justice and moderation. The clergy are not permitted to depart from these rules, or to do anything inconsistent with them. Collections to relieve distress are permitted, but subscriptions to influence popular passions are condemned. The clergy must hold aloof when it is plain that by such movements hatred and discussion are aroused, or distinguished persons insulted; when crime and murders go unpunished, and when patriotism is measured by the amount subscribed, and the people thereby intimidated. Therefore the Parnell fund is disapproved, and no clergyman should recommend subscriptions thereto, or promote it.

It is stated that Archbishop Croke, on his return to Ireland, will visit Cardinal McCabe, and that the latter will come hither to confer with the Pope as soon as his health will permit him to undertake the journey.

LONDON, May 16.—The Head Constable at Liverpool maintains that the story of the discovery of an infernal machine is a hoax, and says the box only contained bricks. The Times correspondent at Liverpool, however, insists on the truth of his story, and declares that the police are anxious to minimize the importance of the affair. The Liverpool Courier also says positively that a dangerous machine was found on the steamer.

DUBLIN, May 16.—At a meeting of the National League held to-day, Biggar, member of Parliament, said anything from the Pope should be received with respect, but at the same time the League should express its views in plain but indelicate terms. Mayne, also a member of Parliament, was to take their theology, but not their politics, from Rome.

CHICAGO, May 16.—In the Dunn murder trial Col. Munn closed his argument for the defense at 1 o'clock to-day, and was followed this afternoon by Emory A. Storrs, also for the defense. It is probable the case will go to the jury to-morrow night.

DUBLIN, May 16.—The trial of Fitzharris as an accessory after the fact to the murder of Carew and Burke, was concluded this morning. The jury returned a verdict of guilty against him, and he was sentenced to penal servitude for life.

PARIS, May 16.—Six anarchists have been arrested for circulating seditious pamphlets among the troops.

### SECRET:

THE ONLY DISCOVERED OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATIENTS.

Salicylica is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects. It has been conceded by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments, and soothing lotions will not eradicate these diseases, which are the result of the poisoning of the blood with Uric Acid.

Salicylica works with marvelous effect on this acid, and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe. High-st. Medical Academy of Paris reports 65 per cent cures in three days.

### REMEMBER

That Salicylica is a certain cure for Rheumatism, Gout and Neuralgia.

The most intense pains are subdued almost instantly.

Give it a trial. Relief guaranteed or money refunded.
